

New Product Development

Fully Automatic Machine Vision Chip-on-Board Wire Bonder

Electronic Product Assembly Line

Injection Moulding Machines

In-house EDM Tooling for Mould Making

Very high quality reputation, skilled and stable workforce of over 350 in our 300,000 SF factory in Macau.

Low Cost High Quality Manufacturing

KNS Perfekta now manufactures and supplies efficient and economical solutions to turn-key manufacturing needs, at tremendous savings.

With manufacturing and design capabilities that are unsurpassed in a state of the art factory located in Macau, KNS proves its #1 priority of commitment to on time delivery and world class quality.

Examples of Customer Cost Savings:

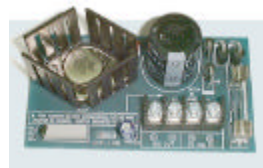

- The manufacturing of a combination through hole and surface mount printed circuit board assembly for a medical equipment firm, reducing costs almost 34% saving them \$36.00 per unit.

KNS Perfekta			
Old Cost	New cost	Savings	% Cost reduction
\$ 106.00	\$70.00	\$36.00	33.96%

- The manufacture of a power supply for an electronic parts distributor, reducing costs almost 53% and saving \$9.25 per unit.

KNS Perfekta			
Old Cost	New cost	Savings	% Cost reduction
\$17.50	\$8.25	\$9.25	52.86%

- The manufacture of a handheld instrument for a for an industrial equipment manufacturer, reducing costs almost 75% saving them over \$100.00 per unit.

KNS Perfekta			
Old Cost	New cost	Savings	% Cost reduction
\$140.00	\$37.10	\$102.90	73.50%

*In all of the above examples there was **no** substitution in quality to achieve the cost savings.*

Perfekta is both ISO 9002 and UKAS quality management certified.
